

Parent/Guardian Agreement

I agree to allow my child to access the Internet and email at Samson Primary School within areas specified that have been previously viewed by the classroom teacher or quality assured and available through the Department of Education's CMIS website or EDNA Online. He/She will follow school guidelines and procedures when preparing materials for publication on the web.

I understand that a member of the school staff may view incoming and outgoing e-mail correspondence before they are mailed or received by students.

I understand that adequate supervision will always be available when my child is using the Internet and email.

My child is aware that he/she is not to use the Internet to frighten or annoy another person.

I have explained to my child that he/she should click on the HOME button and inform the teacher if he/she encounters any material on the web that makes him/her feel uncomfortable at any time.

I understand my child's picture will not be sent over the Internet without first receiving permission from parents/guardian and then having teacher approval.

My child is aware that he/she should never give out personal information, including their phone number, surname or home address when using the Internet.
