PERMISSION SLIP FOR SAMSON PARK EXCURSION

Dear Parents

We are very fortunate to have a natural learning/teaching resource in our own back yard, Samson Park.

Samson Park is used on a regular basis by teachers in the learning areas of Science, Society and Environment, English, Art and Sport.

Parental permission is required for students to leave the school grounds. As Samson Park is used on such a regular basis, we hope to save both parent and teacher time by seeking parent permission, to use this resource, at the beginning of each year. This permission covers all activities associated with Samson Park.

Please complete the permission slip and return this sheet, intact, to your classroom teacher.

Yours Sincerely

Ted Campbell
Deputy Principal
