Submitted by: Kayliz
Serves: 8
Preparation time: 15 minutes or less

Ingredients

3-4 rashers bacon, chopped
1 large onion, finely chopped
6 eggs
1½ cups self-raising flour
½ cup oil
2 large zucchinis, grated
2 large carrots, grated
1 cup cheese, grated
Salt, pepper and mixed herbs to taste

Method

1. Saute onion and bacon until soft (drain off excess liquid/fat).
2. Mix all ingredients together.
3. Bake in a greased rectangular casserole dish at 180°C for 45-50 minutes.

Recipe notes

 Delicious with a nice garden salad and boiled potatoes with gravy. Using a hand blender/processor makes the grating process much quicker.
