CHRIS'S WEEBIX SLICE

***************

Melt in Microwave or saucepan:  120 gm (about ¼ cup) butter or marg
                                       1 tablespoon golden syrup
                                       ¾ cup water

Into a Bowl put:  1 cup S.R. flour
                                  ¾ cup sugar
                                  1 cup desiccated coconut
                                  2 dessert spoons cocoa powder
                                  1 cup crushed weetbix (about 5)

Pour melted butter mixture over dry ingredients in bowl and then push all into a greased lamington/slice baking tray.

Top when cooled with chocolate icing or a dusting of icing sugar.

Bake for 15 mins at 200 degrees.
